Title of Activity : Seminar
Speaker : Shri. R. P. Jadhav
Date : 28th January 2024
Organized by : Department of Nutrition and Dietetics
Summary : Seminar on "Medicinal plant – A lifeline for human" was organized by Nutrition and Dietetics Course Students.
Snapshots :

Outcome: This seminar helps to understand the importance of medicinal plants

Medicinal plants will be useful for maternal and child health care, as essential drugs, in food and nutrition, for common illnesses and injury, for endemic infectious diseases, mental health and oral health.

Medicinal plants are considered as rich resources of ingredients, which can be used in drug development either pharmacopeial, non-pharmacopeial or synthetic drugs. Apart from that, these plants play a critical role in the development of human cultures around the whole world.
