Organized by : Department of B. Voc. Tourism and Service Industry

Topic : VISA Application for Education

Summary : The lecture based various subject before applying for a student visa, you must be accepted into a recognized educational institution in the host country. This institution will provide you with an acceptance letter, which is a critical document for your visa application. Each country has specific visa types for international students (e.g., F-1 in the U.S., Tier 4 in the UK, etc.). You need to understand the requirements for the student visa in the country where you plan to study. These may include financial proof, academic qualifications, and health insurance. Some countries allow international students to stay and work after graduation under a different visa category. This usually involves applying for a work visa or a post-study work permit.
