

Shikshan Prasarak Mandal's
Gopal Krishna Gokhale College, Kolhapur
Course Outcomes
Department of Mathematics

Class	Semester	Paper Name & Number	Outcomes
B.Sc.I CBCS	Sem.-I	DSC-5A- Differential Calculus paper I	<ol style="list-style-type: none"> 1. The students will understand the idea of 2. The students will appreciate the role of 3. The students will realize the concept of 4. The students will understand the relation between approximation.
		DSC-6A Calculus paper II	<ol style="list-style-type: none"> 1. The students will be capable of generating 2. The student will explain the brief idea of 3. The students will be able to discuss the 4. The students will be able to discuss and
	Sem.-II	DSC-5B Differential Equations Paper-III	<ol style="list-style-type: none"> 1. The students will understand the meaning of 2. The students will be able to discuss the concept of 3. Students will be able to determine the types of 4. Students will be able to solve homogeneous
		DSC-6B- Higher order ODE and PDE Paper IV	<ol style="list-style-type: none"> 1. The students will be able to know the 2. The students will understand how to solve 3. The students will understand the basics of 4. The student will gain the knowledge of

B.Sc. II CBCS	Sem.-III	DSC- 5C Real Analysis-1 paper No. V	<ol style="list-style-type: none"> 1. The students will understand sequences 2. The students get knowledge about convergence 3. The students will understand difference 4. The students will understand study of
		DSC-6C- Algebra -1 paper No. VI	<ol style="list-style-type: none"> 1. The student will explain applications 2. The students will understand basic concepts 3. The students will get the knowledge of logarithmic, exponential terms. 4. The students will understand binary
	Sem.-IV	DSC-5D -. Real Analysis-2 paper No. VII	<ol style="list-style-type: none"> 1. The students will understand basic concepts 2. The students will get the knowledge of limit inferior of sequences. 3. The student will understand convergence 4. Student will be capable of understanding
		DSC- 6D- Algebra 2 paper No. VIII	<ol style="list-style-type: none"> 1. The students will get the knowledge of 2. The students will get the knowledge of properties. 3. The students will understand properties 4. Student will be capable of understanding
