NCC was run only for five years, which is from 1962 to 1967. Our five Officers with 200 cadets each were involved in this activity for these five years. Due to financial and other unavoidable reasons the scheme of compulsory NCC was shifted to voluntary base. In 1968 we have enrolled 409 cadets for NCC as per schedule, dividing into two companies. During the first term of 1968 our boys were connected with the 37 Mah Bn. But in the second term they were transferred to the 5 Mah Bn NCC. Our boys comprised of 132 arts, 129 commerce and 109 science students making a total of 370 with 49 girls' cadets. A gain due to increase in the number of colleges and demand of NCC from other colleges, our strength was reduced to 56 cadets officer. Honorable Secretary, Prof. Jaykumar M. Desai and the Principal have been taking keen interest for the progress of our college NCC subunit. With their enthusiasm, encouragement and support, we march ahead with enthusiasm and discipline. He is the lighthouse to our cadets. At present Lt. Dr. D. K. Narale is working as an Lt. NCC Officer, under his leadership 56 cadets (38 boys & 18 girls) are taking part in all the NCC activities. As per the rules and regulations of NCC Act, the NCC activities are performed in the college by Lt. with his committee members under the able guidance of Honorable Prof. Jaykumar M. Desai, Secretary, Shikshan Prasark Mandal, Kolhapur and the Commanding officer, 56 Maharashtra Battalion NCC, Kolhapur.
