Outcome: Participation in a Save Water workshop and webinar can yield several positive outcomes, both for individuals and communities:-

1. **Increased Awareness:** Workshops and webinars provide information about the importance of water conservation and gain a better understanding of the global water crisis and the role they can play in addressing it.
2. **Behavioural Changes:** Learning about water-saving techniques and best practices can inspire participants to adopt more water-efficient behaviors in their homes, workplaces, and communities. This could include fixing leaks, using water-saving appliances, or implementing rainwater harvesting systems. Use of Why Waste App.
3. Overall, participation in such events can lead to individual empowerment, community engagement, and positive environmental impact, making them valuable tools in the effort to conserve water resources.

Title of Activity : "Terrace Garden Visit"

Speaker : Mrs. Chitra Deshpande, Dr. R.P. Jadhav & Dr. R. T. Patil.

Date : 22, December, 2023.

Organized by : Department of Botany, G.K.G. College, Kolhapur.

Summary : Terrace Garden Visit was organized for all the Botany and Gardening students. A terrace garden is a beautiful way to add beauty and charm to your home. It can be done even with limited or no space in your home. You can design a terrace garden in many ways, but the basic concept remains the same. Terrace gardens are a great way to add colour and beauty to your home. They can also be used as an outdoor kitchen or simply as a place to hang out during summer. The best part about terrace gardens is that they are easy to maintain and add value to your home in many ways.

Snapshots :

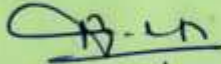

Outcome: Following are the outcome of this program:

- 1) Vegetables & Fruits cultivated at home are free of pests and diseases, keeping us healthy
- 2) Terrace gardens serve as artificial air purifiers
- 3) The terrace garden not only provides vegetables for the daily food, but it also keeps the building cool.
- 4) Provides a hands-on experience in the cultivation of crops
- 5) Gardening even on a small scale can be a great stress reliever
