2.7 - STUDENT SATISFACTION SURVEY

2.7.1 - Student Satisfaction Survey (SSS) on overall institutional performance

**ANALYSIS REPORT OF STUDENT SATISFACTION
SURVEY 2023-24**

+ INTRODUCTION AND OBJECTIVES:

The Internal Quality Assurance Cell and Feedback Committee of the college conducted Student Satisfaction Survey regarding Teaching–Learning and Evaluation and overall institutional performance for the academic year 2023-24. It will help to upgrade the quality of Teaching Learning and Evaluation and facilities provided by the institute. Receiving positive or negative feedback from these students is important as both are crucial for monitoring quality assurance. Listening to what students say is a contributing factor to running a successful college or institution. The present survey tries to capture students’ responses about teaching-learning and other facilities in the institution to take necessary actions for quality enhancement.

+ METHODOLOGY

By the end of the academic year 2023-24, the link to the Students Satisfaction Survey form (SSS) was made available on college class-wise telegram groups. Students were notified to fill out the questionnaire. The questionnaire including 21 questions was prepared according to NAAC guidelines. Filling out SSS is voluntary/ optional. For the academic year 2023-24, there were 2293 registered students at the college. The data was collected during the period from 10th September 2024 to 30th November 2024. Out of this 432 students responded to the survey.

+ RESPONDENT PROFILE

The respondent sample is broadly representative of the student population concerning class, and course. There are 19% from B.A., 6.5% from B. Com., 47.9% from B.Sc., 22.9% from B.C.A., and 3.7% from B.Voc. respondents in the survey sample.
