Green Club Nurturing Workshop.

On December 05, 2023 at Rajaram College, Kolhapur

Outcome: Participation in a Save Water workshop and webinar can yield several positive outcomes, both for individuals and communities:-

1. **Increased Awareness:** Workshops and webinars provide information about the importance of water conservation and gain a better understanding of the global water crisis and the role they can play in addressing it.
2. **Behavioural Changes:** Learning about water-saving techniques and best practices can inspire participants to adopt more water-efficient behaviors in their homes, workplaces, and communities. This could include fixing leaks, using water-saving appliances, or implementing rainwater harvesting systems. Use of Why Waste App.
3. Overall, participation in such events can lead to individual empowerment, community engagement, and positive environmental impact, making them valuable tools in the effort to conserve water resources.
