**Title of Activity :** "Terrace Garden Visit"  
**Speaker :** Mrs. Chitra Deshpande, Dr. R.P. Jadhav & Dr. R. T. Patil.  
**Date :** 22, December, 2023.  
**Organized by :** Department of Botany, G.K.G. College, Kolhapur.  
**Summary :** Terrace Garden Visit was organized for all the Botany and Gardening students. A terrace garden is a beautiful way to add beauty and charm to your home. It can be done even with limited or no space in your home. You can design a terrace garden in many ways, but the basic concept remains the same. Terrace gardens are a great way to add colour and beauty to your home. They can also be used as an outdoor kitchen or simply as a place to hang out during summer. The best part about terrace gardens is that they are easy to maintain and add value to your home in many ways.

**Snapshots :**

**Outcome:** Following are the outcome of this program:

- 1) Vegetables & Fruits cultivated at home are free of pests and diseases, keeping us healthy
- 2) Terrace gardens serve as artificial air purifiers
- 3) The terrace garden not only provides vegetables for the daily food, but it also keeps the building cool.
- 4) Provides a hands-on experience in the cultivation of crops
- 5) Gardening even on a small scale can be a great stress reliever
